

Self-service mobile case features a digital microprocessor-controlled thermostat that can be programmed at precise, consistent temperatures.

Single Deck Utility Case

OSOIA-4

*Self-Contained Mobile
Meat/Seafood/Deli/Prepared Foods*

Hill PHOENIX
DISPLAY CASES

Please consult Hill PHOENIX Engineering Reference Manual for dimensions, plan views and technical specifications. Specifications subject to change without notice. Designed for optimal performance in store environments where temperature and humidity do not exceed 75°F and 55% R.H. Certified to UL 471 and ANSI/NSF Standard 7.

Standard Options:

- *Elegant style features curved tempered glass with an 11" view and a front sill height of only 34" for easy product access.*
- *Ample 12" rear sill available in Sanalite or stainless steel.*
- *Self-contained condensing unit within the base uses environmentally-friendly R134-A refrigerant, eliminating field piping for self-cooling mobility.*
- *Optional ice pans available for seafood display.*
- *Optional high impact plastic tank liner prevents leakage and promotes sanitation.*
- *Optional double-drain (with plumbing valve for connecting to existing floor drain) promotes easy on-the-spot clean-up.*
- *Durable castors offer precise height adjustment and lock merchandiser in place until you need to reposition.*
- *Powered by 115 volt/20 amp dedicated twist lock outlet.*
- *Multiple end options available, from solid insulated ends to acrylic ends.*
- *ECM energy-efficient fan motors available.*

Features and Benefits:

- *Unique design ensures uniform case performance and lower average product temperatures with optimum energy efficiency.*
- *All-steel construction for increased life span and structural integrity.*
- *Seamless tank liner provides positive drain runoff and enhanced sanitation.*
- *Integrated two-part polymer bumper system provides unparalleled protection and durability.*
